COMMENTS

Mexico came out on a mission to open the game from the onset. That goal was accomplished with a 9-1 first quarter. Mexico was able to capitalize on ever possession, not missing any shot and forcing Trinidad to force the attack and consequently making turnovers. By the second quarter, with the game in control, Mexico started playing more conservative. Trinidad used this to their advantage, scoring two goals while Mexico was able to score 4 on their own. The second half was all Mexico. Turnovers and forced shots killed every Trinidad chance to keep the game in check. Mexico was able to use every possible chance to score goals and to increase their lead. Van Reeken (#2) and Rowley (#3) led Trinidad with three goals apiece. Three Mexico players scored 6 goals Trinidad will play Puerto Rico and Mexico will go against USA during the last day of preliminary competition.

COMMENTS

In a fast developing game, USA scored the first goal two minutes into the first quarter and just kept scoring at will, winning the game by a 16-3 score. Brazil kept the game close during the first quarter, not allowing USA to mount their usual potent offensive attack. The first quarter ended with USA on top 5-2. During the second quarter, USA just played tight defense, which led to many turnovers by Brazil and counter attack goals by USA. When they weren't scoring on a counter, they were very precise on the extra man situation. During the second half (USA ahead 11-3), defense took over the game for USA, not allowing a single goal during the half. USA did play a more conservative offensive scheme, which allowed Brazil to be more aggressive in the field of play. USA had three players with three goals and Brazil had three players with one goal apiece. USA will play Mexico and Brazil will go against Canada. Both games will decide positions 2-4.

COMMENTS

In what was a tale of the halves, Canada was able to recover from a slow and lethargic game during the second half and was able to beat a feisty Puerto Rico team 24-6. The first half, even when it was won by Canada 8-6, belonged to the team from the Caribbean. The first quarter belonged to Vega (#10 for Puerto Rico. She was able to penetrate and score the first goal of the game with 22 seconds gone in the quarter and back to back goals with two minutes left to tie the game 3-3. A goal scored by each team made the score 4-4 going into the second quarter. Both teams were fighting for every goal for the first 6 minutes of the quarter. It was then when Canada was able to counter attack effectively and score two goals to take a lead that they would never loose for the game. The third and fourth quarter was a whole different story. Canada started playing much more aggressive defense and scored at will with their counter attacks, perimeter shooting and extra man situation. While their counterpart just couldn't take a shot without having a Canadian defensive player attacking. Canada didn't allow a single goal by Puerto Rico during the half while scoring 16 goal. Vega (#10) led Puerto Rico with 4 goals. Her team plays Trinidad and Tobago during tomorrow's session. Canada play Brazil tomorrow and was led by Boan (#6) with 7 goals
