Mexico, a team that has been playing their hearts out every game and even surprised Brazil by a wide margin, started playing the USA team hard and with success at both ends of the pool. USA relied on extra man and penalty goals to keep Mexico at bay, winning the first quarter 4-2. The second quarter was an exact replica of the first one. Mexico tried to minimize their mistakes and attacked with more passion. USA kept playing strong defense and precision offense. This helped USA built an 8-4 lead at the end of the first half. During the third quarter, Mexico's game became unglued and USA capitalized the opponent's mistakes, scoring at will at almost every possession. They scored from the perimeter, from center post and from extra man, winning the quarter 9-1 and putting the game out of reach. The fourth quarter was a very slow one with no team mounting a consistent attack and playing conservative ball at both ends. Carballo (#2) and Mendez (#3) led Mexico with two goals apiece while USA was led by Klass (#6) with 5 goals. During quarterfinals, USA will have a bye and Mexico will play Trinidad and Tobago.

In a battle between CCCAN affiliates, Puerto Rico came out on top 17-14 in a game that wasn't decided until the last two minutes of the game. It was a see-saw battle between the two teams from the beginning, a quarter that had top guns Van Reeken (#3) and Rowley (#3) score the three goals for Trinidad, while Puerto Rico had three players scoring. The second quarter was just as the first quarter, where the same two top guns scored three of the four goals and Puerto Rico had four players scoring. After a 7-7 tie at halftime, Puerto Rico scored two goals in the first two minutes to take the lead. Trinidad came roaring back and scored three of their own to take a one goal lead. A penalty goal for Puerto Rico ended the third quarter 10-10. Puerto Rico came out playing very good extra man situations and scored twice in the first two minutes of the last quarter. A lead that they would never relinquished. Trinidad tried again and again to score from the outside or pound the ball to Rowley at post, but the defense was able to contain the attack and scored at the other end. Roman (#9) for Puerto Rico was their leading scorer with 6 goals. Rowley was the leading scorer of the game with 9 goals. During tomorrow's session, Puerto Rico will play Brazil while Trinidad will play Mexico

The last game of the women's preliminary session had Brazil and Canada go toe to toe for 28 minutes. Canada was able to score twice in a very slow-paced quarter. The second quarter had more action from the Brazil team. They played hard defense and attacked from the center post at will. At halftime the score was 4-3 in favor of Canada. The third quarter was a hardly contested one, with both Canada and Brazil scoring from the perimeter. Defense was tight for both squads and neither team was able to capitalize in counterattacks. Canada scored first in the last quarter, a goal that seemed to seal the game, Brazil never gave up and scored twice within one minute to tie the game. Canada was able to move the ball around and get a good shot from within three meters. Brazil had an extra man opportunity to score in their last possession but weren't able to score to tie the game. Belorio (#4) and Rachid (#4) lead Brazil and Canada respectively with three goals. Brazil will play Puerto Rico in the quarter finals. Canada has a bye.
