### COMMENTS

The first game of the UANA Youth Championships was between the teams of Canada and Argentina on the women's side. From the onset, Canada showed their strength at both ends of the pool. During the first half they were able to score mostly on counter attacks, and those counter attacks came from their tough defensive scheme. They started to defend individually full court and forced many turnovers in which they were able to capitalize. The first half ended with the score 8-0 in Canada's favor. During the second half, Canada started playing a drop back zone. Argentina was able to penetrate that defense and scored three goals in the third quarter for five from Canada. The Canadian team was able to make some adjustments on the defensive side and shut down Argentina during the last quarter while scoring 4 goals on their own. They were led by Perkov (#3) with four goals. Argentina had three players with one goal. During tomorrow's session, Canada will play Peru and Argentina will do battle against Brazil.

### COMMENTS

The team from Brazil showed everyone that they are a team to be considered for the top medals in this event. They came out clicking on all cylinders, playing hard at both ends of the field of play. They were able to score at will against Trinidad during the first half of the game. While scoring from many counter attacks, the Brazilians also played strong on the defensive side. Trinidad tried time and time again to develop a strong offensive scheme but their opponent did everything to stop them and not allow many free shots. The first half ended in favor of Brazil with a score to 18-1. The second half brought a more aggressive Trinidad team at both ends of the pool. That desire led them to score four goals in the first five minutes of the third quarter, tying Brazil 5-5. Brazil turned on the heat on the last quarter, scoring 9 goals to one from Trinidad. Most of the goals were scored on counter attacks which resulted from opportunistic defensive schemes and costly turnovers by Trinidad. Brazil was led in this game by Bonetti (#11) and Pascual (#12) with 6 goals apiece. They will go against Argentina during tomorrow's session. Trinidad will go against a powerful USA team. For this game they were led in scoring by Green (#3) and Aching (#7) with two goals apiece.
