COMMENTS

After a solid overall performance by Trinidad and Tobago the day before, Colombia wasn't going to take any risk and allow their opponent to establish any momentum. They came out playing very strong on the defensive end and scoring the first three goals in less than three minutes. Trinidad was able to counter with one extra man goal, but Colombia got one of their own to end the first quarter with a 4-1 lead. The second quarter was one where Colombia just turned on their afterburners and counter attacked every opportunity. They were able to score from perimeter shots and counter attacks. They had their own defensive lapses and allowed Trinidad to score on some good shots, but those goals didn't affect their overall performance. The first half ended with a solid 10-4 lead. A 4-1 score in the third quarter and a 7-2 score in the last was all Colombia needed to win by a big margin of 21-7 and consolidate their fifth place in the round robin preliminary event and have a realistic chance to move to third place. Betancur (#2) was their leading scorer with five goals. They will have a tough challenge tomorrow against nemesis Argentina. Trinidad was led by Latchman (#6) with three goals. His team will go against Brazil during tomorrow's games.

COMMENTS

United States one more time was too powerful at both ends of the pool, beating Peru by the score of 24-1. USA didn't allow a single shot from Peru in the first quarter and allowed just 6 shots for the whole game. Their man to man full court pressure during the first three quarters was more than what Peru could handle. Offensively USA score mostly on counter attacks, and when not their center forwards were either dominating with goals or getting ejections in their favor, which ultimately lead to extra man goals. Peru was simply overpowered by a more physical and disciplined USA contingent. Avakian (#5) and Pulice (#7) were the leading scorer for United States with six goals apiece. The lone goal for Peru was scored by Contreras (#4). USA will play Bahamas and Peru will have to go against also undefeated Canada during tomorrow's session.

COMMENTS

In A game that could possible decide the top positions of the round robin, Canada and Brazil went at each other like there was no tomorrow for either team. Brazil broke the scoring with a center forward shot. The next few possessions both teams went back and froth, but you could sense that Brazil was more aggressive in the offensive end. A good lob shot after a foul outside six meters allowed Canada to tie the game at 1. Brazil countered with an extra man goal on their next possession. Canada missed an open shot to tie the game but was able to get the ball inside and score, tying the game at 2 apiece. Once again Brazil scored on extra man but so did Canada to keep the game tied at 3. A good cross pass led to a wide open goal for Brazil. After a good defensive stand Brazil did score from six meters out to increase their lead by two goals at the end of the first quarter. In the second quarter Brazil once again scored with extra man to widen their lead to three goals. On the defensive end they just closed the gap in the middle, not allowing shots or any offense from the center forward spot. A quick inside two meter goal was more than what Canada could handle for the quarter, where they finished with a 8-3 deficit. Brazil just kept the defensive pressure throughout the third quarter and Canada wasn't able to decipher what to do to generate a consistent offensive attack. At the end of the third quarter Brazil had a comfortable 10-4 lead. The last quarter saw both teams getting opportunities to score from extra man but not able to do so. Some solid goalkeeping and missed opportunities for Canada was what Brazil needed to end the game with a 13-6 win.

COMMENTS

Argentina continued in their quest to be one of the top four teams in the event. This time around they beat Bahamas by the score of 26-6. Argentina just came out playing with high tenacity at both ends of the pool. Their man to man pressure combined with their precise counter attacks, perimeter shooting and center forward attacks were all key aspects that allowed them to get a comfortable 10-2 lead at halftime. It was the third quarter that put the game out of reach from Bahamas. During this quarter, Argentina almost didn't miss an opportunity to score from all angles and positions, while at the same time holding Bahamas to single digit opportunities in the offensive end. Bahamas didn't score a goal while their counterpart scored nine goals. Bahamas wasn't ready to concede and came out playing real hard in the last quarter. They were able to penetrate Argentina's defense and score four goals. Argentina matched Bahamas' intensity and scored seven goals. For this game they were led by Conti (#10) with nine goals. They will have to work hard to keep up the pace tomorrow as they meet archrival Colombia. Sastre (#7) led Bahamas one more time with two goals. They will go against undefeated USA.
