United States continued their torrid attack both on offense and in defense, overpowering Canada by the score 19-4. Pulice (#7) and the rest of his United States teammates once again played a very strong game at both ends of the pool. United States, as we have grown used to in this event, played strong man to man defense throughout the whole game. One key ingredient in the defensive side of the ball is that no matter who is playing and in what position, the intensity level never changes. Canada had their chances in extra man but weren't able to produce goals at the same pace that USA did. USA jumped ahead 6-1 in the first quarter and 10-1 at halftime, all but assuring their pass to the gold medal game. Canada had 10 extra man opportunities, scoring in only two of those. With today's result, Canada finishes in 4<sup>th</sup> place of the preliminary round robin action. They will go against Argentina for a chance to win the bronze medal. Merrill (#12) led the team in scoring with two goals.

The last game of the preliminary round was between South American counterparts Colombia and Peru. The winner of this game will ensure 5<sup>th</sup> place and play for a possible fifth spot in the Youth World Championships of 2020. Colombia came out of the gate with a lot of passion and with all the intentions of taking away any chance Peru had to win the game. They were able to outscore their opponent by 4-0 in the first quarter and 9-1 at halftime. Colombia employed a very tough man to man defense, one which didn't allow Peru to implement an efficient offensive game. In offense, Colombia used their center forward frequently to create ejections that led to extra man goals or scored from counter attacks coming from Peru's turnovers. It was in the second half when Peru was able to penetrate Colombia's defense and score three goals in the third quarter. Colombia countered with four of their own plus seven in the last quarter to put away the game for good. Colombia was led in scoring by Vallejo (#7) with 5 goals. Rodriguez (#10) led Peru with four goals. During the last day of competition, Colombia will play Trinidad and Tobago for 5<sup>th</sup> – 6<sup>th</sup> place while Peru will go against Bahamss for 7<sup>th</sup> – 8<sup>th</sup> place
