### COMMENTS

Right from the opening whistle USA took control of the game. USA's dominant defense, and tenacious counter attacks were key during the opening quarter, one that saw the Americans take a 6-1 lead that they would never relinquish. In the second period saw Argentina get some good looks at the goal but were unable to finish them. USA kept their poise and strong game to increase their lead at halftime 12-1. The third period had Argentina scoring three goals, but USA had an answer for every time Argentina tried to come back. During the last quarter both teams played more of a defensive and tentative game, a quarter that saw only three goals scored. Argentina had a balance attack with seven players scoring one goal apiece. They will play Canada during tomorrow's session. USA, who goes against host Brazil for their next game, were led by Hooper (#5) and Daube (#7) with five (5) goals.
