### COMMENTS

Canada and USA went head to head to decide the winner of the preliminary round. First quarter was mostly and even one with both teams getting good looks at extra man situations. USA was able to capitalize in two of them during the last three minutes to take a 6-4 lead. The second and decisive quarter was all USA from start to finish. They were able to stop every Canadian attack while scoring six goals on their own to take a commanding 12-4 lead at halftime. A very tight defensive scheme both in regular play and extra man were key for USA. The second half was more of a methodical one. Canada was trying to increase their offensive efficiency but USA was able to contain any sustained attack by their opponent. Patterson (#2) and D'Souza (#11) led Canada with two goals. They will go against Brazil in the first game of the semi-final round. United States was led in scoring by Daube (#7) and Bowen (#9) with four goals. Argentina will be their next opponent during Friday's semi-final session.
