

City of Hopewell

The Virginia Association of Competitive Swimming and the Hopewell Recreation Department are proud partners of the USA Swimming Make A Splash program. By giving to the Make A Splash program, you are helping to support a local program that provides swim lessons to approximately 100 children annually in the Hopewell area.

Help teach a child to swim, and help save a life.

### Donate Now

The Make A Splash initiative saves lives by joining forces with grassroots learn-to-swim programs and reaches thousands of children through wide-reaching in-school materials.

Your contribution will help us prevent drowning by teaching children to swim and raising awareness of the drowning epidemic in this country. Please note each gift per child provides a series of swim lessons.
