

## VAST Potential and Reserved Donor Contact List

In the past, the following families have contacted the businesses listed with their name. Because we do not want to confuse our potential donors, nor appear to be lacking in communication skills, we ask that you please refrain from contacting these businesses without first checking with the VAST family. If a family has no intention or capability of contacting a specific donor, please contact Jeff Sheffer so the donor can be contacted by another family. Feel free to contact Jeff Sheffer (jsheffe@adelphia.net or 433-9519) if you have a potential donor you would like added to the list of reserved donors. Feel free to use the form on page 3 to track your donors and the ads they desire. In order to make the printing for the heat sheets, the completed forms and checks made out to VAST need to be returned to NEED A VOLUNTEER no later than 12/24/2005.
