Partner with us in impacting lives!

Thank you for your interest in becoming a VJO team sponsor! Our aquatics team began 60 years ago with the simple mission of impacting youth through aquatics. In order to expand our vision we need community leaders like yourselves to join us in this mission.

Our club is a USA Swimming competitive team offering daily, year-round, professional coaching and technique instruction for all ages. We are a 501(c)(3) non-profit organization serving youth in Vallejo and surrounding communities. The goal of the Vallejo Aquatics Club is to provide every member an opportunity to improve swimming skills and achieve success at his or her level of ability. Depending on the level, our swimmers spend from 5 to 15 hours in the pool weekly, even through the winter. These kids are dedicated! But swim skills are not all our youth acquire. We seek to instill in our swimmers our core values of positive self-esteem, self-motivation, strong work ethic, personal accountability, goal setting and realization, respect for others and involvement in community service. These character qualities overflow into other aspects of their lives such as school, family and peer relationships and into our communities as they grow into future citizens of Vallejo and the Bay Area. The youth on our team are being impacted beyond our measure. A high number of our swimmers become lifeguards and swim instructors, they receive college scholarships and some even become Olympic medalists.

Our sponsorship program allows us to collaborate with business owners to promote their success as well as ours. Since we are a year-round team, your sponsorship, no matter what level you choose, continues for a full 12 months. This offers greater advertising exposure and opportunities from not only our 100 plus VJO swimmers and families but also the swim community.

We depend greatly on outside funding which allows us to offer our aquatic program at an affordable cost, even providing scholarships for the underserved in our community. We hope you will consider supporting our team. We are sure you will find a sponsorship level that will fit your needs. **We look forward to a successful partnership!**
