

Your VSC Swim Resume Worksheet

Directions:

Fill in any information that makes you look good. Anything that makes you stand out from the crowd, or demonstrates your responsibility or determination should be included. If there isn't a good category for your specific achievement, put a note on the back of this form, and we'll make a place for it. Don't worry about leaving empty spaces on this worksheet. Your swim resume is a highly customizable web page, and we can add or delete any item so that your resume will accurately reflect who you are. Be creative, be meticulous, but be honest.

A note about privacy:

The information you provide here will only be used to help you put together a swim resume. You will be the only one who has the url (link) to your resume. It will not be possible to find it by clicking a link from the VSC web site, but will only be reachable by typing in the unique url that only you know. You can then share this url with potential coaches, and college recruiters at your discretion. ie: http://www.teamunify.com/SubTabGeneric.jsp?team=vsc&_stabilid_=3057
