

Waukesha Express Swim Team

Fall 2009 Information

- Season starts: TUESDAY, September 15, 2009
- Group Meetings: Our coaches of the Ribbons, Bronze, Silver and Gold groups will be holding parent meetings during the first 2 weeks of practices. The meetings will be held at the pool during practice and it gives you a chance to meet your coach and find out what will be going on with your swimmer's group this season. These meetings are important for new families and returning families. Please look for an e-mail from your coach with date and time, and please make every effort to attend.
- Registration: Swimmers must be registered prior to their first practice! If you have not yet registered please take care of getting your paper work in now. Swimmers will not be allowed to swim if they are not registered.
- Updated Medical Authorization Form: We have an updated Medical Authorization Form and should be completed for all swimmers. Please also update your emergency contact information on your website account by logging in to Team Unify and enter/update all information in the My Account tab.
- Website: New families should receive a use name and password for the team website. If you have not received yours please e-mail Laura at laura@waukeshaexpress.org.
- Volunteers Needed: We are looking for some parents to learn some key positions for running meets at South. If you are interested please contact Michael Hamm at michael@waukeshaexpress.org. We will be offering training sessions this fall during our intra-squad meets and South High School meets. All of these positions are easy to learn, but do require training and experience. We will include more information on about these jobs in the upcoming weeks, but if you are interested please let us know. Thanks!
- Officials
