Statement of Verification

I, _____, as coach/team representative of
_____(name of team). Verify that all swimmers entering
_____(name of meet) are registered swimmers with USA
Swimming. This form must accompany the meet entry.

(Signature)

Penalty for Non-Registration of Swimmers effective January 1, 1998

The Registration Chairman will verify that all swimmers competing in a meet are registered with USA Swimming as Athlete Members no later than four days prior to the meet start date. The swimmer's date of registration must be on or before the meet entry due date listed in the meet invitation. The date of registration for a swimmer is determined by (a) the postmark on the envelope bearing the registration form and fees or (b) the date the form and fees are hand-delivered to the Registration Chairman. A signed verification form must accompany each team and unattached swim meet entry, regardless of method of submission (disk, electronic, hard copy, or phone).

In accordance with USA Rule 302.4 False Registration, the LSC will fine a team \$25 (plus the cost of the athlete's registration) for each swimmer entering a meet when that swimmer is not properly registered as a USA Swimming registered athlete. The fee for unattached, improperly registered swimmers will be assessed to the swimmer.

The fine and registration fees must be paid to the Registration Chairman before the swimmer may swim in the meet. In the absence of the Registration Chairman at a meet where a fine and registration fees must be paid, the fine, form, and fees are to be submitted to the Meet Referee, who will mail or hand-deliver them to the Registration Chairman. Fines will be deposited in the General Fund of Snake River Swimming.

In the event that verification can not be completed prior to a meet, and unregistered swimmers are found to have been entered in a meet, the \$25 fine will still be imposed. The fine, fees, and registration form must be submitted to the Registration Chairman no later than the first day of the swimmer's next competition, or the swimmer will not be permitted to swim in that meet.
