

2010 Classic policy change

Every year we have a communication gap between high school coach and club coach.

It is most obvious when the club coach has a faster time that has not been submitted to the high school coach.

For this reason, we have asked for entries on Wednesday at 8 PM. Each high school coach will receive a copy of his times back from the entry chair (hopefully that evening). Share with the club coaches. If there is a faster time than the time submitted, it can be changed until 8 pm Friday January 8. (We are most concerned with the distance events (400 IM, 500 Free, 1650 Free) as the times determine who swims in finals.) After 8 PM Friday, the distance events will be merged and no further changes can be made.

Reminder – all times for distance events (400 IM, 500 Free, and 1650 Free) must be proved. If the club coach provides a faster time, he/she must also provide the proof of time.

We will not post the psych sheet until Friday after 8 PM so we can reflect these changes.
