## Meet Entry Fees and other Non-Recurring Charges

Fees for swim meet entry will be applied to your account and charged PRIOR to the start of each meet. When entries are submitted to the host team (approximately 1-2 weeks prior to the date of competition) entry fees will be applied and the payment method on file charged. Families wishing to pay by check must ensure fees are received prior to the start of competition. Other non-recurring fees such as team apparel, team events, etc will be charged in the same way. Payment for non-recurring charges (meet entries, team events, etc) must be received prior to the competition or event. It is highly recommended that a payment method be placed on file for these charges in order to avoid past due charges.
