

## **Ketchikan Killer Whale Swim Club Scholarship Program**

2021-2022 Swim Season: September-May (Regular season only)

Scholarship Committee members: President, Treasurer, Membership Chair

The Ketchikan Killer Whale Swim Club (KKW) Scholarship Program is based on available funds and has two components:

1. Reduced (50%) funding for monthly swimming dues and waiver of KKW registration fee; award based on verification letter from KGBSD of enrollment in the National School Lunch Program (NSLP), or verification of participation in a related (income-based) assistance program, and availability of funds.
2. Assistance due to unforeseen situation or specific need; at discretion of Scholarship Committee and availability of funds.

### **Scholarship Program General Requirements and Information:**

- Scholarship Program provided based on availability of funds.
- Swimmer must provide NSLP (or other assistance program) verification as soon as possible; prior to registration if possible.
- Scholarship will be effective with the next billing cycle after initial registration and receipt of proof of assistance. Remaining monthly dues and other fees must be paid no later than the monthly due date.
- If swimmer's assistance program participation changes, they must notify the KKWSC Scholarship Program immediately.
- Swimmers making use of scholarship must maintain eighty percent (80%) of scheduled practices each month and maintain appropriate conduct as outlined in the KKW Handbook to remain in good scholarship standing.
- Parents and swimmers are **required** to participate in **all** KKW fundraising activities and complete **all** required volunteer hours.
- The scholarship may not be used for swim gear, meet entry fees, or USA swimming registration. (USA Swimming does accept verification of some income assistance programs for reduction in their registration fee. Contact the membership or treasurer chair for more information.)
- Violations of requirements and the scholarship agreement will be addressed according to their nature and severity by the Scholarship Committee.
- The scholarship is for the regular swim season only, not the summer season.

**Ketchikan Killer Whale Swim Club  
Scholarship Program Application**

Date: \_\_\_\_\_

Swimmer name: \_\_\_\_\_

Parent name, phone and email: \_\_\_\_\_

---

Please Initial:

\_\_\_\_\_ I am applying to participate in the KKWSC Scholarship Program for my child and understand that this application will be reviewed by the Scholarship Committee.
