Are you interested in getting your child involved in either swim lessons or swim team? Perhaps you have been a member of our team in the past and are just not sure where your swimmer is right now or where they fit in our program. Maybe you just have questions in regards to registration information. Well we can help you with this and more Monday September 13 or Wednesday September 15 at the Kate Kuhns Aquatic center. Swimmers being evaluated by our staff should plan on bringing a swim suit to the pool.

MONDAY
