B) Kenai Meet- tentatively set for Jan 26th. Will said they would hold the meet, but it is not on the ak swimming website.

C) Peninsula Valentine Meet-sponsored by SSS. We need Volunteers for this meet. Timers/Hospitality/Concession...etc. This could take care of mandatory volunteer duty.

D) Swim a thon March 7th. Possible conflict with Homer Meet- may have to change date. We will look into an alternative place to have the sleep-over for the swim a thon. If anyone has a suggestion please let us know.

Other items-

A) Mega Team. Do we join with other peninsula teams for championship meets? More Discussion is needed. We need to hear from other teams. We need to talk to other coaches from the peninsula teams.

B) We need to get Skyview pool for at least 4 weeks during Spring break as our pool will be closed for maintenance.

C) Waiting list for coming onto the team? How big should each group be? If we are considering capping the number of swimmers, should the adults be allowed to swim? Rules need to be written for the adults to follow the program of SSS. Need to meet with the coaches to see their opinion on capacity and rules.
