OLD BUSINESS

NEW BUSINESS

Fall Banquet September 12 after Labor Day Weekend. (School starts August 16).

Approved a \$300 expense to upgrade the TeamUnify platform for the SST website.

John Cook, President at MSST, was notified by FNSB about a rate increase by FNSB ordinance on May 22. The rate increase will effectively quadruple the use rate of borough pools and the meet rates have been changed as noted below:

Meet Duration	Current 2018 Rates for Meets	Rates for Meets After July 1, 2018
<5 hours	\$200	\$50/hour
5 to 8 hours	\$400	\$100/hour
>8 hours	\$800	This line was blank, but I'm assuming it's still \$800 and not an hourly charge

John notified MSST membership to voice their opinion to the FNSB assembly on June 14 (the first general meeting held after the letter with the fee increase was received).

Coach Report – Twenty-six swimmers on maintenance this summer. Twenty-five swimmers are qualified for Region 12. The team won the Midnight Sun Invitational. Summer Champs and Western Zones in planning.

No practice at the AK club during the week of July 4.
Patty Center - no practice on July 4.

Northern Area Training Trip – Hamme to Anchorage at UAA for 1 week (11 & Over), during the week preceding Summer Championships. Sign-up sheet is under development. Approximately \$250 per swimmer.

Meeting adjourned at 1915
