

Dear Aquakids Swim Parent,

Welcome! Thank you for considering our swim program. Below are a few quick references to help you get started.

Training Groups – After the swim tryout or evaluation, your swimmer will be assigned a practice group (Orange, Black, Blue, or Senior). Coach Laura Beth will let you know the training group and schedule. All swimmers can enjoy a one-week trial period with no obligations to join.

Registration – After the trial period, if your swimmer wishes to join the Aquakids, please follow the registration instructions: <https://www.teamunify.com/team/ashak/page/registration-guide>. When registering, there is a \$30 fee to join the team. You will be required to enter details for your payment method. Please direct questions about registration to aquakidsinc@gmail.com.

Team Communication – Once registered, please email aquakids@gmail.com for instructions on joining the parent GroupMe. Also monitor the email you used for registration for important announcement from Coach Laura Beth.

Billing Questions – If you have billing questions, please email aquakidsinc@gmail.com. Someone from the board will respond to your questions promptly.

Equipment – For a full list of equipment needs for each training group:
