

Dear Aquakids Swim Parent,

Welcome! Thank you for considering our swim program. Below are a few quick references to help you get started.

**Training Groups** – After the swim tryout or evaluation, your swimmer will be assigned to an age-appropriate practice group (Age Group 1, Age Group 2, Age Group 3, Junior, or Senior). Coach LB will let you know the training group and schedule. All swimmers can enjoy a one-week trial period with no obligations to join.

**Registration** – After the trial period, if your swimmer wishes to join the Aquakids, please follow the registration instructions: <https://www.teamunify.com/team/ashak/page/registration-guide>.

When registering, there is a \$30 fee to join the team. You will be required to enter details for your payment method. Please direct questions about registration to [aquakidsinc@gmail.com](mailto:aquakidsinc@gmail.com).

**Team Communication** – Once registered, please email [aquakidsinc@gmail.com](mailto:aquakidsinc@gmail.com) for instructions on joining the parent GroupMe. Also monitor the email you used for registration for important announcements from Coach LB, especially schedule changes.

**Billing Questions** – If you have billing questions, please email [aquakidsinc@gmail.com](mailto:aquakidsinc@gmail.com). Someone from the board will respond to your questions promptly.

**Equipment** – For a full list of equipment needs for each training group: <https://www.teamunify.com/team/ashak/page/team-info/equipment>
