SWIM MEET VOLUNTEER JOB DESCRIPTIONS

The success of the Midnight Sun Swim Team (MSST) relies on parent participation. Unlike other youth sports, where generally a handful of people can run the team, a swim program simply cannot be run without help and participation from team parents. **MSST has a mandatory participation policy of 12 service points per year per family.**

Volunteer jobs are assigned a point value dependent upon the intricacy of the job. All families are responsible for monitoring their earned service points. Accounts deficient in service points will be charged \$40 per point at the end of the fiscal year (September 30th). This list explains the duties of the swim meet volunteer jobs.

*Some swim meet jobs are ON DECK (on the deck of the pool) jobs. These jobs include awards, clerk of course, computer operators, officials, timers, meet manager, and photographer. Street shoes are not permitted on deck. Remember to bring a pair of water-proof or water-resistant shoes to wear on deck.

Awards
