

May 2013

From: Scottsdale Aquatic Club Board of Directors

To: SAC Families

Subject: Annual Membership

The Scottsdale Aquatics Club Board of Directors has an annual membership policy (reference March 2013 SAC Board of Directors minutes). The previous policy of allowing members to take an extended leave at a reduced monthly rate (e.g. summer vacation, high school swim season) and allowing the swimmer to return to the same training group has been rescinded.

Scottsdale Aquatics Club has annual expenses for pool rental, coaching salaries, etc, paid monthly. Members of the club pay annual dues spread over a 12-month period. Swimmers choosing to be away for a short period (several weeks, 1 month, etc) are still responsible for their annual dues commitment.

If a member chooses to leave the team:

- All unpaid volunteer hours must be reconciled
- All fundraising must be reconciled
- Upon return a member will re-register and tryout for a training group (depends on space/group availability)

Special circumstances may be considered. These generally include illness or injury.

This policy is effective June 1, 2013.
