

Parental Code of Conduct

The Nanton Marlins, along with Swim Alberta and the Alberta Summer Swimming Association, have adopted the Canadian Swim Coaches and Teachers Association's Code of Professional Conduct. This Code defines the appropriate parameters for interactions and obligations, and thus identifies a standard of behaviour. The Code of Conduct also identifies the Marlins' commitment to making everyone's involvement in the Club a positive experience.

As a Nanton Marlins parent, you are expected to consistently display high personal standards and agree to abide by the following Code:

For the safety of our swimmers and coaches, parents are to be in the spectator areas of the pool only (unless instructed by a coach or official, or you are officiating/volunteering). Unauthorized people on deck negatively affects our insurance coverage for our club, should there be an incident.

Respect and treat all persons equally regardless of their gender, ability, cultural background or religion.

Practice teamwork with all parents, swimmers and coaches by supporting the values of Discipline, Loyalty, Commitment and Hard Work.

Demonstrate good sportsmanship by conducting myself in a manner that earns the respect of my child, other swimmers, parents, officials and the coaches at meets and practices.

Know your role and maintain self-control at all times:

Swimmers – Swim

Coaches - Coach

Officials - Officiate

Parents - Parent

Refrain from coaching or instructing the team or any swimmer at a practice or meets (from the stands or any other area) or interfere with coaches on the pool deck.

Understand that criticizing, name-calling, use of abusive language or gestures directed toward the coaches, officials, and/or any participating swimmer will not be permitted or tolerated.

Abide by Swim Alberta and ASSA

Maintain open communication between parents, swimmers and coaches emphasizing goalsetting and focusing on the performance expectations and behavior of both the swimmer and the parents.

Meet with the coaches/swimmers/parents during prearranged times not to interfere with practices. (Pool time is too valuable). Refrain from interrupting or confronting Coaching staff during practices. If conflict arises, please allow for a **"24 hour cooling off period"** before approaching staff or executive (this includes text, email or face to face contact)

Positive reinforcement of all swimmers in all situations - team spirit, team loyalty and unity
