Monthly dues:

- > A monthly 10% sibling discount for each additional swimmer in the same family applies.
- > All monthly fees are due the first week of each month.
- > Any payment not received by the tenth day of the month will be assessed a \$20 late fee.
- > The team is unable to pro-rate fees based on the number of practices attended.
- > Electronic payments are strongly encouraged through your TeamUnify account via our team website. If absolutely necessary, monthly dues may be paid with a check payable to “The Lodge.”
- > Fees are collected on a month-to-month basis. Commitment to the entire season is expected. Therefore, if you must take time away from the team, you will be billed half your monthly dues in order to secure your spot upon your return. You must give written notice of your departure before the first of the month to reduce your dues during your absence.
- > The first monthly payment will be double the normal rate. This payment will cover the dues for the current month as well as the dues for February 2021. These upfront dues for February 2021 are nonrefundable regardless of your participation on the team in February. \*Ventana Canyon Club Members are exempt from the February 2021 advance payment.
  - [Some of you have a credit from March 2020 that will be applied to your first monthly payment.]
