Parents & Guardians: It is important to keep your financial commitment to the team. Your monthly charges are used to pay for coaches and rental of lanes for swim practice.

*For the 2020-21 season, SWAT is not offering a season prepay discount due to the uncertain status of the current Covid-19 pandemic

**SWAT Starters Swim School is cancelled until further notice due to the current Covid-19 pandemic

***This is a one-time fee as long as membership is renewed during Pre-Registration

Multiple Swimmer Discount - Families with multiple registered swimmers will receive a discount off of their monthly membership fees. There is no extra discount for prepaying the season.

Number of Swimmers	Discount Percentage
2	2.5%
3	5%
4	7.5%
5	10%

Payment Options - SWAT's electronic billing system, SportsEngine (formerly TeamUnify), allows account holders to pay by credit card* or ACH with a checking account. ([See this article on how to set up a credit card or checking account on AutoPay](#)) If an account holder wishes to pay by check (**made out to: SWAT**) or cash, payment must be made in full to the team Treasurer by the 21st of the month prior to the next billing cycle or a late fee of \$10 will be assessed. Contact the team Treasurer for delivery address information.

Please note that should your credit or debit card expire; it is your responsibility to provide updated billing information. SportsEngine will assess a \$10 late fee to account holders who fail to update information prior to the next billing cycle.

Meet Entry Fees - Swim meet competition entry fees are generated at the time SWAT submits the entries to a meet and billed to members at the beginning of the following month. ***In the event that your athlete is unable to compete in a meet after the meet entry deadline has passed, the meet entry fee is non-refundable.*** (Consult meet invitation for listing of fees per meet.)

Late Fees - A \$10 late fee per month will be assessed for all accounts more than 5 days delinquent. Any Fees that are more than 60 days past due will result in a suspension of a swimmer's account and all swimming privileges, until paid in full.

SWAT Registration Fees - In order to cover season startup administrative costs, SWAT charges a one-time registration fee of \$50. This is a one-time

fee as long as the account had an active membership the preceding long course and/or short course season. Returning members must renew their membership during the designated Pre-Registration.

USA Swimming Registration Fee - \$79 annually

USA Swimming FLEX Registration Fee (for SWAT Starters or athletes new to swimming who will not compete) - \$20 annually

All swimmers practicing with a member club or competing in events sanctioned by USA Swimming must be registered as athlete members of USA Swimming. Athlete members must meet the rules of eligibility contained in Article 303. This fee is sent directly to Border Swimming/USA Swimming.

CANCELLATION POLICY

SWAT's season budget and rental of practice lanes depends on the number of swimmers with active memberships on our team. For this reason, it is important for members to keep their season commitment and billing information up to date.

Season Commitment - During the commitment period (September to March for Short Course Season or April to July for Long Course Season), upon written request to the team registrar, a swimmer may be released from your season commitment. You will be charged a cancellation fee, equal to one-monthly payment, except in the following cases:

1. Military Deployment
2. Family Relocation
3. Extended Medical Situation – doctor's note* will be required

Extended Medical Leave - If a swimmer must take a physician's prescribed, 1 month or longer, leave of absence for medical reasons, a doctor's note* must be submitted 5 days prior to the next month's billing cycle. The swimmer's account will be suspended for the duration of the physician's prescription. *Doctor's note must state expected date of return to activity

Notifying a coach that you are cancelling membership or taking a leave of absence is appreciated, but shall not be considered as a formal written cancellation and does not affect your billing.

Cancelling your membership does not release you from financial responsibility for unpaid swim meet fees incurred prior to cancellation, unpaid USA Swimming Registration fees, and/or any past due balances due to SWAT.
