

# Family Volunteer Policy

As of March 15, 2019

The following are Southwest Aquatics Team's (SWAT) policies and guidelines for meet volunteer requirements for parents and families of our team members:

1. During each Short Course and Long Course Season, all families must volunteer for at least one session during SWAT hosted meets and Border Championships.
2. Families with 2 or more swimmers during each Short Course and Long Course Season must volunteer for at least two sessions during SWAT hosted meets and Border Championships.
3. Families that do not participate or want to opt out will be billed \$75 per meet. These funds will be used to hire volunteers.
4. Families that volunteer for 3 or more sessions during the SWAT hosted meet will have their swimmer's meet entry fees (NOT the surcharge) for the SWAT meet forgiven.
5. SWAT happily offers volunteer hours for middle and high school students that want to volunteer for meets. SWAT swimmers cannot volunteer for meets unless first discussed/cleared with the meet entry chair.
