

The Chico AquaJets began in 1949 and is one of the largest sports team in Chico, averaging about 200 swimmers on the team. The Chico AquaJets are operated by the Chico Area Swim Association, a 501(c)3 non-profit organization and governed by a volunteer board of directors. The Association's mission is to provide competitive and recreational swimming opportunities for all ages and abilities within our community. Programs include:

- MiniJets: a fun year-round program for young swimmers as introduction to swim team
- AquaJets: a year-round competitive swim program for swimmers of through age of 18
- Masters Swimming: for adult swimmers of all levels

AquaJets alumni include 1992 Olympian Roque Santos, 2004 Olympian Haley Cope, and USA Masters Swimming World record holder Jill Hernandez. AquaJets Swimmers have been recognized with scholarships to Harvard, Yale, Hawaii, UOP, Cal Berkeley, and the University of Wisconsin and more.

Our Mission:

Continuing a tradition of excellence in the sport of swimming... learn, compete, and enjoy!

Sponsor Our Team!

The Chico AquaJets swim team is looking for sponsors to support our 74th year as a swim team! This year we look forward to continuing to grow the team and promote self-development, sportsmanship, and enjoyment through the sport of swimming for many youth in Chico. Forty-five percent of the team's operational budget is funded through the support of local businesses and community fundraising efforts throughout the year.

Can you Help – Can we help you?

We would like your business to consider sponsoring our team. It is a fantastic opportunity for a business to support and association that promotes self-development, sportsmanship, and enjoyment through the sport of swimming! It is also an excellent venue to promote your business to hundreds of families in the Butte County area. As a Chico AquaJets Sponsor, your company will receive recognition to the level of support.

In-Kind Sponsorships

Many of our fundraising activities are supported by the generous donation of prizes in the form of company merchandise and promotional products. If your company would like to assist in this area, it would be great exposure.

Other Partnership Sponsorship Opportunities

Depending on your business, your company may have other ideas that would be a great fit for our team. Maybe it's a restaurant that the entire team can meet up after swim meets. Maybe it is a product that our entire team could use. Whatever it may be, if there are other opportunities we can discuss and work out something awesome to benefit us all.
