Dear Potential Sponsor,

Okotoks Mavericks Swimming (MAVS) is a non-profit, community based competitive swim club currently seeking to align with local businesses and corporations to develop mutually beneficial partnerships.

Our team has over 100 swimmers in 9 different levels of competitive programs from ages 4 to 18 from the swimmer who is new to competition to one who is working towards national time standards. Our mission is to provide an opportunity for individual swimmers to reach their maximum potential through a positive experience in the sport. We encourage and foster individual growth, team spirit and sportsmanship.

We are currently looking to partner with local businesses and corporations that have a shared interest in the youth of our community and would like to support our common goals; specifically, our vision to develop exceptional kids through competitive swimming.

Enclosed you will find the MAVS sponsorship information package. Our club would like to work with your organization to develop marketing opportunities to fit your goals and needs.

Your support will enable the club to continue to be a strong leader in the sport of swimming. All sponsorship funds go directly to cover expenses such as pool time, coaching, equipment and competition expenses.

We hope that you review the marketing opportunities our club has to offer and consider supporting our young swimmers as they achieve their goals. Should you have any questions or require further information or choose to support our young athletes please contact us.

Thank you for taking the time to consider our proposal.

Warm regards,

Lindsay Johnston
