# MAIN WORKOUT

Workout 2:

- High energy is most beneficial but focus on proper form vs. rushing through the exercises
- No rest between exercises but take at least 30 seconds after each set
- You can time how long it takes to complete all the exercises in each set and record your time to track improvement
- Additionally, you can time how long it takes to complete all 3 sets (including rest) and enter that into the “Total Time” section, which is another great way to monitor improvement.

Exercise	Repetitions	Set 1	Set 2	Set 3
Jump Squats	20	Time:	Time:	Time:
V-Sits	15			
Military Pushup	15			
Reverse Crunch	15	Notes:		Total Time:
High Knees	50			
Bicycle Crunch	20			
Jumping Jacks	20			

**Complete 3 rounds and record your times**
