**Over the season we have received a few questions about funds earned. Here are some **tips** to maximize your fundraising:**

1. Be consistent! Go through the FlipGive app every time you want to shop online. All those small credits add up.
2. Watch for merchant promos. Especially around the holidays, stores like Indigo offer major incentives on gift cards.
3. It's ok to double dip. You can earn on gift card purchases and then use the gift cards to pay for online purchases. You will earn credit for both.
4. Amazon has changed their program. For now, you can only earn on gift cards and Amazon device purchases. If you shop at Amazon a lot, gift cards are still a good option.
5. Read the fine print! Many programs have exclusions. Read the program details so you can be confident about what your purchase will earn.
6. You can invite friends and family to join the team, and what they earn can go toward your 2020-2021 fundraising commitment. To make sure we allocate the earnings to your commitment, let us know their profile name so we can find them and link their profile to yours.
