

Kelowna Aquajets Swim Club

[BC Amateur Sport
High Performance
Development Fund](#)

The Kelowna Aquajets (KAJ) is a non-profit organization which has provided a world class swim program since 1975. The Kelowna Aquajets provides a safe and welcoming competitive swim program which inspires athletes to be their best selves in and out of the pool. Over the years our Athletes have represented the Central Okanagan at international, national, provincial, and regional competitions. From the Olympics to the local Jamboree, our athletes continuously perform to their highest level through fair and ethical means.

The Kelowna Aquajets have partnered with the BC Amateur Sport Fund to raise funds to offset costs for the development of our athletes. By making a donation to the [BC Amateur Sport Fund website](#) - your gift to benefit the Club will be used to offset travel costs, coaching & development, and athlete support. Your gift helps to ensure program quality, consistency, and accessibility, providing the best environment possible for fostering successful young athletes.

For more information please visit the [Club's website](#)

You can also email the Fund at bcasf@sportbc.com

Administered by Sport BC, the BC Amateur Sport Fund ("BCASF") is the BC chapter of the Canadian Council of Provincial & Territorial Sport Federations ("CCPTSF"), a Registered Canadian Amateur Athletic Association with charitable status (CRA number 88938 6868 RR0001). The CCPTSF was established in 1980 to benefit amateur sport across Canada by supporting projects like this.

Our objective is to be the model of excellence as a swim club in terms of athletic performance, organizational governance, financial stability, and team cohesion. The Kelowna Aquajets will continue to be a club rooted in tradition while evolving to meet future requirements.

Sincerely,

Lesli Meyer
