KAMLOOPS CLASSIC SWIM CLUB

SPONSORSHIP OPPORTUNITIES

About Our Club

Over the past 65 years Kamloops Classic Swim Club has evolved to meet the needs of our community. Our numbers have swelled from a small Swimming Canada Program of twenty-three swimmers to one of the leading competitive swimming programs in B. C. with an annual membership of over 125 competitive swimmers and more than 350 "learn to swim" children. Kamloops Classic Swimming is proud to offer quality programming to children beginning to learn their basic competitive strokes to seasoned competitors, competing successfully at Provincial, National and International levels to those learning lifesaving skills to share with the community.

Our recent achievements include sending four swimmers to the Canadian Junior Championships and five swimmers to the Senior Canadian Championships. We successfully held two recent meets with 600 and 1100 swimmers from across BC, Alberta and the Yukon.

How You Can Help

On the reverse of this pamphlet is a table outlining our different sponsorship packages. We are also collecting donations for our basket draws and silent auction. In addition we are seeking food donations to help look after our many volunteers during our hosted swim meets. Please call or email Nicole Angove at nicolejangove@gmail.com or 250 8194725 for information regarding these sponsorship packages.

How we can help you

KCS hosts a minimum of 2 major swim meets per year. Each meet will bring swimmers and their families from all over British Columbia and Alberta. Teams will include Prince George, Victoria, Vancouver and Calgary. Most visitors will stay in hotels in Kamloops and frequent restaurants and shops in the city for the duration of the 3 -4 day meet and possibly beyond. KCS is renown for offering professional quality meets. As a sponsor your company will be associated with promoting healthy living and exercise and display its community support whilst at the same time receiving exposure to thousands of people from Kamloops, other areas in British Columbia, Alberta and beyond.
