Thank you to our Team photographer, Jane Dagasso, and our coaches, for taking the vast majority of photos in this Annual Report.

Kamloops Classic Swimming gratefully acknowledges the support of the
Province of British Columbia

PRESIDENT'S MESSAGE

Another year of swimming has come and gone, and we are ramping up for the 2020-2021 season. I am very proud of a club that provides a swimming environment to such a wide range of individuals and has such a great number of programs. This is reflective of our statement and moto.

Our values and focus are on teaching lifelong skills. Fun and friendship in the pursuit of fitness is the pillar of the club. Our coaches pride themselves on developing community-minded citizens with high integrity. Swimming provides opportunities for all levels to experience team spirit, setting and achieving goals, and the ability to work hard within a team.

It has been an honor to lead this board and I am very cognizant of the some of the challenges and the wins we had last year. I am extremely thankful for the creativity and wisdom of our Board, the dedication and flexibility of our Coaches and the carefulness and work ethic of our Business and Development Manager.

Last year was a year of significant challenges with the pool closure and cancellation of tradition means of training and competing. Each challenge has been met with creativity, careful thoughtfulness and a desire to persevere. I am grateful for excellent swimmers, excellent coaches and understanding and passionate parents. At this point I look at the year very optimistically. We will have the opening of a bright and renewed training centre; we have some of the best coaches and staff in Canada and our members have increased and have a renewed passion for the water. Financially we are sound.

Although we overcame a great deal as a club this year, we need to keep the momentum going. There is a growing interest in our club as our history of creating great swimmers and citizens is spreading throughout our City of Kamloops and ever increasingly to other cities throughout Canada. We do not want this momentum to change as the opportunities it creates for our City, our children and our citizens is limitless.

This year we have a number of board members that are stepping down after years of dedication. We would like to thank them for their dedication and commitment. We would like to invite parents from all areas of our club to consider joining our board as we appreciate new ideas and passionate members.

We would also like to thank the City of Kamloops and all our members for their ongoing support into another year that will bring lots of opportunities and challenges.

See you at or in the pool!

Chris Cameron

HEAD COACH'S MESSAGE

Welcome to a new swim year with Kamloops Classic Swimming (KCS). As I take the time to reflect back on our 2019 – 20 swim season I'd like to thank our staff for showing resiliency, resourcefulness and professionalism during this time period. Last year, was perhaps one of my most challenging years professionally and personally. With the hard work of our staff, we have come through this time period with many accomplishments while also establishing building blocks of new initiatives, which will pay huge dividends for our program for years to come. When you review program highlights in the subsequent pages of this document it shows the hard work our staff, swimmers and volunteers have put in last year.

Since our pool was shut down due to COVID-19 we had an option to either keep doing what we're working on or to do a complete 180 and address some of the things our athletes were needing extra help with. Our staff quickly reorganized to offer new programs which provided many interactive training opportunities to our members.

We know the CGP renovations and COVID 19 have significantly disrupted our daily lives/routines here in Kamloops. We appreciate everyone's' patience and flexibility. As Dr Henry, our BC Public Health Officer often says, "this is not for ever it just for now". We will all get through this. *Brad Dalke*

BUSINESS & DEVELOPMENT MANAGER'S MESSAGE

The first 3 quarters of the fiscal year were a period of renewal as we focused on strengthening almost every facet of our business. Accounting practices, registration processes, human resources, communication, university recruiting support, policy and our website, all received significant attention. Surging interest in the Club followed, with record membership last season in all program areas. With the arrival of COVID-19 and subsequent lock-down, we shifted gears and in a matter of weeks, were drafting Workplace Safety Plans, Return to Swimming Plans, Daily Online Health Check-ins, and scrambling for any water we could find to get our swimmers swimming again. Although we continue to cope with many unexpected challenges, we are facing them with creativity and strong community partnerships. I am excited to continue working with such a great community of Board Members, Coaches, Swimmers, and Parents!

Karyn Sutherland

2019-2020

PROGRAM HIGHLIGHTS

COMPETITIVE SWIMMING PROGRAM

SENIOR SWIMMING

2019 Far Western Championships, July 25-28 San Francisco

- 4 of their 6 swimmers achieve top 10 placing's at the meet. Overall KCS placed 26th in the team championships. The Classic's had a total of top 3 finishes winning 3 Bronze medals.

UBC Odlum Brown Colleges Cup, Nov 2-3, 2019

- 9 KCS swimmers were selected to the Western Canada High School Allstar team that competed at the Colleges Cup. The meet is one of the top short course swim meets in Canada.

2020 SwimBC Winter Provincial Swimming Championships, March 5 – 8

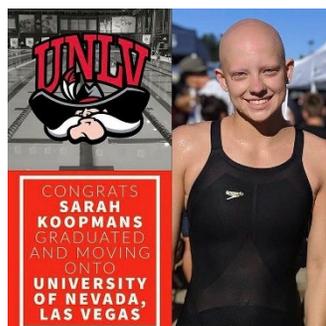

- KCS finished 11th overall winning a total 2 Gold & 1 Silver.
- Swimmers achieved 12 new Olympic Trials Qualifying time standards, with 12 swimmers qualified to attend the 2020 Canadian Olympic Swimming Trials.

In addition to the Olympic Trials, KCS also had swimmers qualified to attend the following National Events that were unexpectedly cancelled due to COVID-19.

- Canadian Olympic Trials Open Water Swim event in the Grand Cayman Islands
- 2020 Western Canadian Swimming Championships in Saskatoon
- Mel Zajac Invitational, UBC
- Canadian Junior Swimming Championships and Open Water Swimming Championships in Montreal
- Far Western Swimming Championships, San Jose California
- Canadian National Swimming Championships in Edmonton

GRADUATING SWIMMERS

All 3 of our 2019 graduating swimmers are continuing on to pursue Varsity athletics.

2019-2020

PROGRAM HIGHLIGHTS

COMPETITIVE SWIMMING PROGRAM (cont.)

AGE GROUP SWIMMING

AG1: 15 swimmers

Coach: Nolan Paul

AG2: 31 swimmers

Coach: Kent Aitchison

ACCELERATION!

In February, 7 KCS swimmers were selected along with 30 other kids from the Interior to attend the SwimBC Regional Camp in Kamloops. The group listened to an excellent motivational talk from international shot-putter Greg Stewart in the afternoon.

SwimBC Age Group Championships Feb 21-23, 2020

8 KCS Age Group swimmers qualified, 6 attended and our team finished 19th overall out of 38 teams. Shale Maurice got on the podium for her 50/100/200 Free swims and broke Club records in all 3 of those events. Ryder Litke also had 4, Top-10 finishes. Our swimmers also raised their game for the provincial setting and combined to go 34/42 best times or 81%!

NOVICE & JUNIOR SWIMMING

Novice: 23 swimmers

Coach: Nolan Paul

Junior 1/2: 13 swimmers

Coach: Kent Aitchison

Great engagement !

Our Novice & Junior program started with a bang with record enrolment for new swimmers! Their excitement about being in our Club was infectious and showed when our first Jamboree of the season in Vernon was attended by 20 swimmers, the largest group we had sent to a Jamboree meet in 5 years!

2019-2020

PROGRAM HIGHLIGHTS

COMPETITIVE SWIMMING PROGRAM (cont.)

TRU WOLFPACK VARSITY SWIMMING PARTNERSHIP

Achievements:

The TRU WolfPack Varsity Swim Program grew and achieved new heights during the 2019-2020 season.

- 5 swimmers competed at the Canada West Conference Swimming Championships in Lethbridge, November of 2019.
- 1 swimmer qualified for and competed at the 2020 U Sport Swimming Championships at UVIC in February.
- 2 swimmers qualified to attend the 2020 Canadian Olympic Trials.
- Academically, the WolfPack had 5 swimmers achieve Academic All-Canadians status.

The Value of the Partnership:

Having a seamless transition in place for our high school swimmers to pursue their University swimming close to home, is of significant value, as demonstrated by the number of KCS swimmers that haven chosen to swim for Thompson Rivers University Wolfpack. Some other values...

- Financial benefit of shared pool and travel costs
- Retention of varsity swimmers/coaches who go on to become SwimSkill lesson instructors and Club coaches, namely Taylor Carmichael, Nolan Paul, Sarah McChesney, Mark Hyslop, and Gia Bogetti.

KCS HOME MEETS OVERVIEW

- 2019 MJB LAW INVITATIONAL MEET x 358 swimmers \$23,000 generated
- Remainder of Home meets cancelled for 2019-2020

2019-2020

PROGRAM HIGHLIGHTS

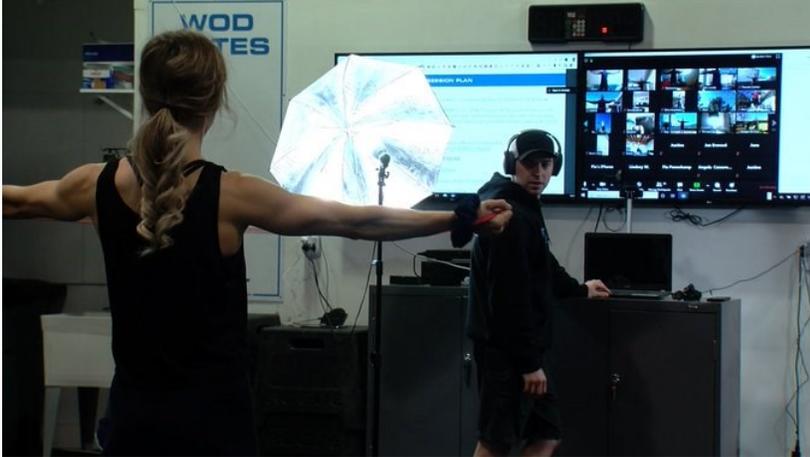

COMPETITIVE SWIMMING PROGRAM (cont.)

Working through COVID-19:

Training at the Canada Games Pool concluded March 16th. During the first three months (April – June) of the COVID 19 pandemic, the Kamloops Classic Swim Club was able to completely retool staff to work remotely through this time period. The Club offered 14 Zoom sessions/week to its membership in partnership with Tournament Capital Strength, to keep our membership engaged and active. They were as follows:

- 9 one-hour Dryland Zoom sessions (one/day and doubles on Tuesdays and Thursday).
- 3 Sport Psychology Zoom sessions on Tuesdays + 2 more visit/share Zoom sessions .

KCS
SWIM KAMLOOPS
DRYLAND WORKOUT
6 ROUNDS
 12 Air Squats
 12 Push-Ups
 12 Weighted Sit-Ups
 36 Double-Unders or Lateral Hops
 FOR MORE VIRTUAL FITNESS OPTIONS, VISIT:
 TCSTRENGTH.COM/VIRTUAL OR SWIMKAMLOOPS.COM

All sessions were available to our full competitive membership.

Our competitive program resumed swimming on June 20th at Paul Lake with Open Water. On June 30th they transitioned to the Brocklehurst outdoor pool for July and August where we had unexpectedly, engaged 74 competitive swimmers training.

COMPETITIVE REVENUE LOST DUE TO COVID-19 LOCKDOWN

- Pratt's Spring Fever Jamboree-CANCELLED Lost revenue: ~ \$2,000
- TRU Wolfpack Invitational—CANCELLED Lost revenue: ~ \$23,000
- SwimBC Provincial Championships—CANCELLED Lost revenue: ~ \$30,000

2019-2020

PROGRAM HIGHLIGHTS

RECREATIONAL SWIMMING PROGRAM

2019-20 Numbers: 22 Primary Coach: Nolan Paul

The 2019-2020 season marked the renewal of this youth recreational swim group. Re-focused to appeal to the multi-sport athlete and the youth fitness niche, this group finally found its place and reached new membership levels driven by word-of-mouth referrals. Swimming twice a week, youth members found a place to make new friendships and increase both their fitness level and their technical swim skills, laying the foundation for lifetime participation. This group also generated youth that were excited to participate in our First Jobs program; giving back to their community by teaching swimming to other Kamloops youth.

MASTER'S SWIMMING PROGRAM

2019-20 Numbers: 35 Primary Coach: Kent Aitchison

Not to be left out of the upward swing this year, our Masters hit new highs of their own, consistently setting single sessions and weekly attendance “records” throughout the Fall. They did the work but they were also serious about balance and would often follow up their one-hour Saturday morning swim with a one-hour hot-tub de-brief! This group also enjoyed many self-planned social outings throughout the season!

2019-2020

PROGRAM HIGHLIGHTS

SWIMSKILLS LESSON PROGRAM

FALL/WINTER/SPRING SWIMSKILL LESSON PROGRAM

Ages 5-12 SwimSkill Coordinator: Taylor Carmichael

Our 5-level SwimSkill Lesson program continues to be a popular choice for parents looking for effective stroke development training for their children.

Fall Lesson Program: **119** youth enrolled ages 5-12

Winter Lesson Program: **99** youth enrolled

Spring Lesson Program: strong enrollment but was cancelled due to COVID-19.

SWIM & PLAY SUMMER CAMPS

The summer of 2019 proved to be a very busy one for our summer camp coordinators and instructors. Staff delivered a full 6 weeks of our week-long, full and half-day Swim & Play Summer Camps to 290 children. In addition to the incredible value of employing and developing 25 Kamloops youth, we deliv-

Partnering to reach different communities in Kamloops is a priority. Our coordinators work with Tk'emlúps te Secwepemc (formerly Kamloops Indian Band) to deliver programming to aboriginal youth in the Kamloops area as well as Thompson Rivers Wolf-pack Summer Camp staff to deliver lessons to many of their camp participants.

SWIMSKILL PRO-D DAY PROGRAM

In an effort to deliver more youth sport options during the school year, the SwimSkills program branched out into the Pro-D Day programming for School District 73. Adapted from our Summer Camp programming, kids attended camp from 8:30-2:30pm, during which they had 3 x 45 minute swim lessons and fun out-of-water activities in-between. While this program started very small, by the end of the school year interest was growing and webpage visits/registrations were on an upward trajectory.

2019-2020

PROGRAM HIGHLIGHTS

SD 73 ELEMENTARY SCHOOL SWIM MEET

Due to the COVID-19 shutdown we were unable to offer the SD73 Elementary School Swim Meet in 2020. This event traditionally hosts 230-250 students in Grades 4-7 for a fun day of racing. 12 schools were represented last year and we hope to be able to continue the tradition in 2021 or 2022.

“Our swimmers become our organizations biggest assets!”

FIRST JOBS PROGRAM

Our “First Jobs Program” is very popular for KCS recreational and competitive swimmers and Kamloops youth-at-large. We work with applicants between the ages of 14-25 yrs old to offer resume-writing experience, interview skills, effective communication practice and general support for becoming a responsible/reliable employee. To be eligible to work positions with KCS, youth must have completed various training with Red Cross & the Lifesaving Society of Canada via the City of Kamloops. Courses include Bronze Cross/Medallion, Water Safety Instructor, and National Lifesaving.

- *2019 Summer Camp employment was at an all-time high with 25 employed Youth earning **\$43,564.03** in wages*
- *Fall & Winter SwimSkill lesson employees (15) earned **\$13,249.84** in wages.*

2019-2020 PROGRAM HIGHLIGHTS

TEAM SPIRIT PROGRAM

Our Team Spirit Committee gathers monthly to organize and deliver fun events for our swimmers. This is an important program as it provides the balance between fun and work for our kids. These were some of our events this past season...

Welcome Back BBQ & Volleyball Challenge

Welcome Back Team Breakfast and Navy Seals Challenge

Halloween Swim and Costume Race

Christmas Breakfast

Novice/Junior Bowling Party

Swimmer of the Month Recognition Awards

VOLUNTEERISM & OFFICIALS

“Our volunteers’ time is valuable. The fact that they share it with us to help us generate funds from our swim meets, is appreciated more than they may know”

Swim meets are one of the largest scale volunteer draws that we encounter. KCS has a tradition of holding well organized, well staffed, quality swim meets that engage up to 100 trained volunteers per day. These events are technical and sanctioned that require Swimming Canada certified officials. In order to meet that requirement, numerous training opportunities were held for our member parents and extended family during the past season, so volunteers could become qualified to participate.

We were excited to see many parents take on new technical roles .

- Level 5 Official: 1 more certified Lvl 5, making 2 local Lvl 5 officials
- Clerk of course – 3 members completed their training
- Meet Manager – 1 additional member completed training
- Chief Timer – 1 additional member completed training
- Electronics – 2 new certified members

As the program descriptions show, we also had incredible overall volunteerism with the Club. Parents stepped up to contribute in many different ways, all of which created incredible financial, administrative or social value for the Club.

The following chart shows that in meets alone, our volunteers generated \$163,760 in value this past year.

2019-2020 In-Kind Volunteer Contributions

Event Title	Event Start Date	Event End Date	Volunteer Hours	Number of Volunteers	Total	\$20/hour
California Training Camp Chaperones	12/30/2019 6:30:00 AM	01/06/2020 10:00:00 PM	185	2	370	\$ 7,400.00

Totals					8,188	\$163,760

2019-2020 PROGRAM HIGHLIGHTS

FUNDRAISING PROGRAM

The fundraising team continued to look for creative ways to raise money at meets. This past season saw the addition of the Peel & Play Raffle to our traditional Basket Raffle at the MJB Law Meet, where we raised \$2,227.

Unfortunately COVID-19 interfered with our largest fundraising events of the year. *Laps for Loonies* was cut short, although the membership still raised \$4610. Our Spring Cash Raffle was also cancelled. As a result our fundraising income was down by about \$10,000 this past year.

TOTAL RAISED: \$6921.95

SPONSORSHIP & FUNDING PARTNERS

We are extremely fortunate to have partners that care about swimming and are interested in meaningful partnerships that result in a positive two-way experience. Whether our sponsors are treating our visiting families extra specially or contributing to our fundraising prizes, they always go above and beyond. COVID-19 also influenced our sponsorship drive this year, as we were unable to solicit lane sponsors and corporate event sponsors for our largest 2 meets of the year, which were cancelled.

TOTAL RAISED: \$9,200

PRATT'S COMPOUNDING

FINANCIALS 2019-2020 YEAR IN REVIEW

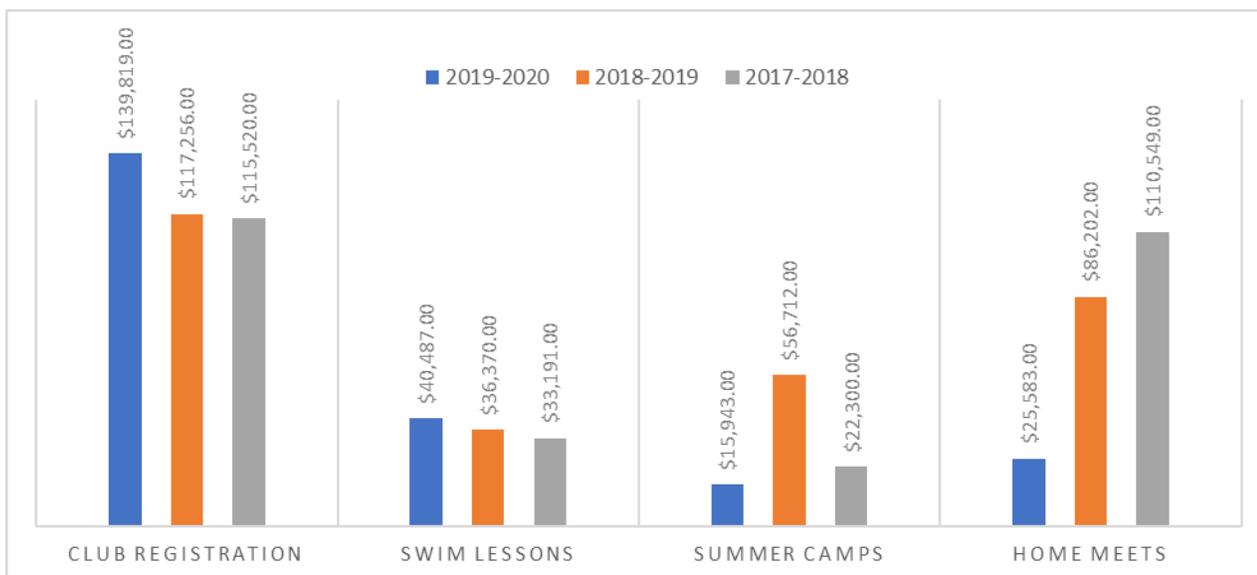

OVERVIEW

The final quarter of the past fiscal year presented a number of challenges relating to COVID-19 shutdowns. Ironically the first 3 quarters of 2019-2020 had been some of our strongest in terms of membership and lesson growth and revenue. Once the COVID-shutdown occurred, we were very fortunate to have a membership that supported us financially, with the majority donating their last quarter membership dues and lesson fees. The Club was also able to take advantage of a number of government subsidies and flexibilities in existing grants to buffer the loss of revenue. Losses accumulated from cancelled revenue-generating swim meets, lost training opportunities and sponsorship opportunities. Expenses during this time were limited to essential services and wages and salaries, most of which were covered by the Canada Emergency Wage Subsidy.

COMPARATIVE PROGRAM REGISTRATION LEVELS

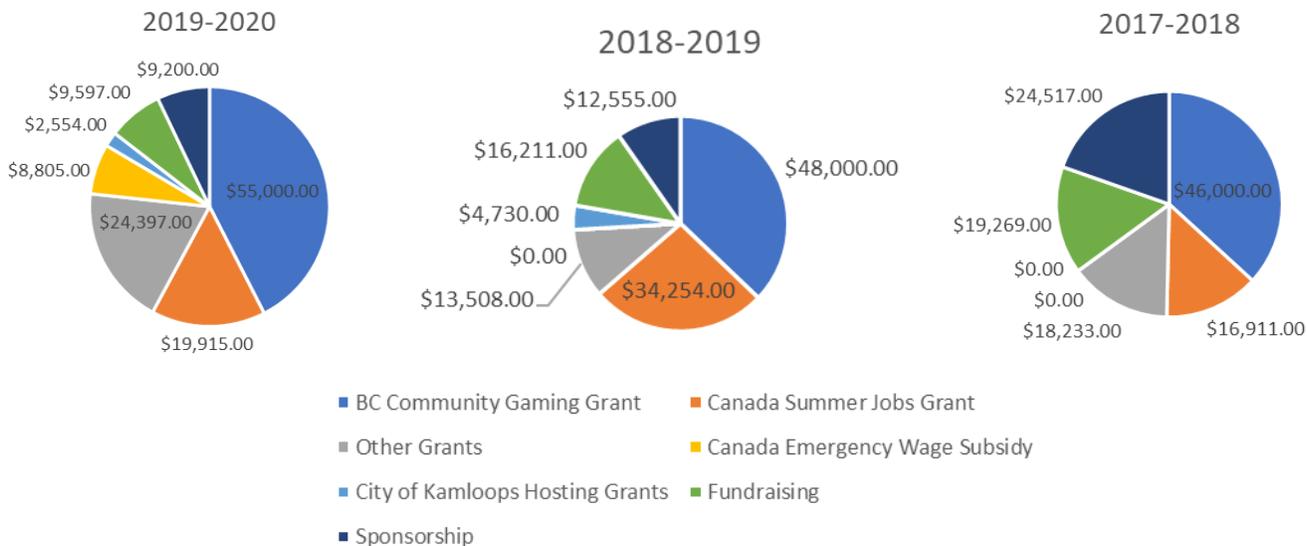

COMPARATIVE GROSS SALES REVENUE BY TYPE 2017-2020

**Club Registration includes Masters, Recreational and Competitive Membership Dues

FINANCIALS 2019-2020 YEAR IN REVIEW (cont.)

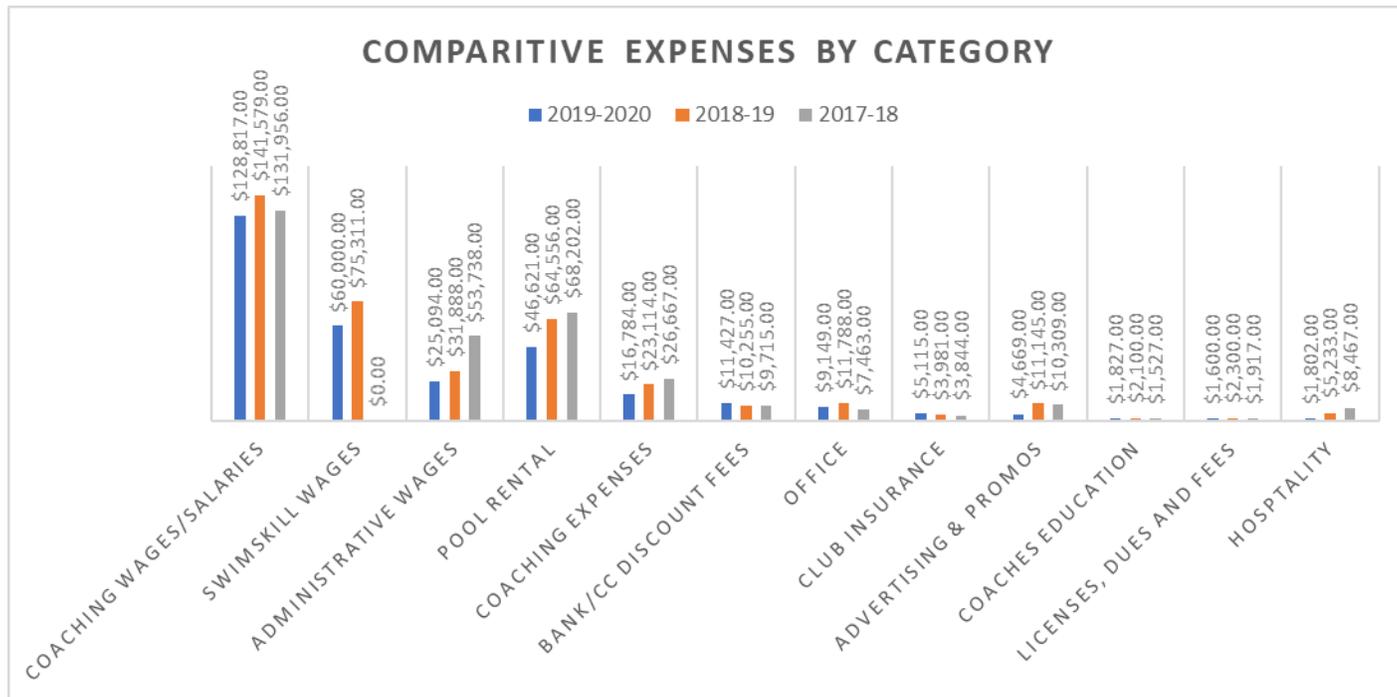

GRANTS, SPONSORSHIPS & FUNDRAISING 2017-2020

** "Other Grants" include grants from SwimBC, Pacific Sport, Blazers Legacy Fund and the RBC High Performance Fund.

COMPARISON OF EXPENSES BY CATEGORY

KCS is a labour-driven organization. Although the rise in minimum wage has had an impact, we have become more efficient with our staffing for summer camps and SwimSkill lessons, increasing their profitability. The Canada Emergency Wage Subsidy enabled us to retain our staff during the shut-down and helped KCS immediately get back to business once the pools reopened. We have also focused on controlling variable costs by limiting office and advertising expenses.

STAFF

Brad Dalke | Head Coach

Brad Dalke is the club's Head Coach/Technical Director as well as Pacific Sport Regional Head Coach for Swimming. In addition to being a fully certified NCCP Level III Coach and Course Conductor for Swimming Levels I & II, Brad holds a Bachelor of Physical Education Degree from the University of Calgary and a Bachelor of Education Degree from the University of British Columbia / University College of the Cariboo. Brad coaches the senior swimming levels within the club.

Karyn Sutherland | Business & Development Manager

Working with the Head Coach and Board of Directors, Karyn oversees the Club's administration, financial management and non-competitive initiatives to ensure they are contributing to the overall strategic direction and financial well-being of the Club. She also looks for new areas of business that can contribute financially, while continuing to meet the Club's overall goals. Karyn is a Registered Professional Biologist on her days off and also has taken many Master's level Business courses at TRU.

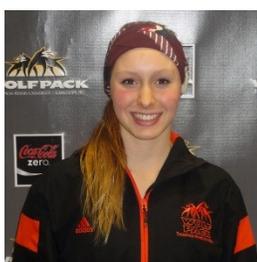

Kent Aitchison | Assistant Coach

Kent is directly responsible for coaching the Age Group 2, Junior and our Masters swimmers. He works very closely with our Head Coach in the planning, development and implementation of various aspects of KCS coaching philosophies, training needs, methodologies and initiatives. Kent holds a Bachelor of Physical Education and his NCCP Level II certification. Kent and his wife Carlee, are also owners of TSCS in Kamloops.

Nolan Paul | Novice/ AG1/ SwimFIT/ SwimX Coach

Nolan is responsible for the Novice, Age Group One, and Swim X/Swim Fit groups and has recently completed his NCCP Swimming 101. Nolan's other qualifications include Red Cross Water Safety Instructor, High Five Principals of Healthy Child Development, Respect in Sport for activity leaders, and Lifeguard/Standard First aid Level C. Nolan is also currently attending Thompson Rivers University.

Taylor Carmichael | SwimSkill Lesson Coordinator

Taylor is responsible for the Club's SwimSkill Lesson Program, including our Swim & Play Summer Camps, Pro-D Day Camps and Novice-prep program. She is WSI, NLS certified. Taylor has recently completed her Bachelor of Science at TRU, as well as her "Teaching English as a Second Language." She is currently working on completing her Masters of Education in Leadership and her Swimming 101 certification.
