

2011 WOSA LC Championships

Brock University

Welcome to WOSA's 2011 Long Course Championships! We look forward to hosting you at Brock University on June 10th-12th, 2011; and invite you to enjoy the hospitality of the Niagara region whilst visiting.

Due to a late scheduling change to Brock University's Spring 2011 Convocation, this swim competition will be taking place while there are Convocation Ceremonies ongoing in the Walker Complex gyms on both Friday and Saturday during the day. Obviously this is an extremely proud moment for the graduating students and their families, and we ask that our visiting swimmers and their families please respect this fact and allow the Convocation Ceremonies to have any priority as needed.

The Convocation Ceremonies will not in any way affect happenings in the pool and gallery; however we do ask that swimmers please be properly dressed, including shoes, whenever not directly in the pool enclosure itself. A team warm-up suit over a swimsuit is acceptable. Swimmers are asked to please keep out of the areas outside the pool area as much as possible, always remembering the fact that the graduates and their families will be in the surrounding hallways in formal attire.

We ask also that swimmers and their families refrain from using the inner courtyard on Friday and Saturday during the day. Instead we invite you to enjoy the grassy area out the back of our building, directly on the Bruce Trail, during those times.

Parking will be at a premium, and priority parking will go to the graduating students. As such all swim meet participants will be directed to park in Zone 2 Parking Lot on Friday and Saturday before 5:00 PM; the lot which is to the left immediately upon entering the Brock University campus. It is a 10-15 minute walk away from the pool. Those wishing to drop passengers off closer to the pool before parking will be permitted to do so; however the road to the back of the Walker Complex (Physical Education building) will be closed down between approximately 11:30 AM-5:00 PM on those days. Instead, the area directly in front of the Brock Tower, a one-minute walk through the building to the pool, would be the recommended drop-off point (please avoid blocking the main bus stop however).

There will be no charge for Zone 2 parking at anytime on Friday, or on Saturday during the daytime. For Saturday Finals and for all Sunday sessions, when swim meet participants may park in the regular visitor D Lot, regular charges will apply.

The Walker Complex Food Court will be open between 8 AM and 7 PM each day with snacks, food, and Tim Hortons coffee available. In addition Subcetera South, a short walk in the other direction, will be open also; featuring snacks, convenience foods, coffee, and a Booster Juice outlet.

A campus map is available here for your convenience: <http://brocku.ca/facilitiesmgmt/CAMPUS-MAP-LRG.htm>

Thank you for visiting with us at Brock University for the 2011 WOSA Long Course Championships. Good luck and fast swimming!
