

# Swimmer of the Month

March 2021

## Edward Fants, AG5

The March swimmer of the month for AG5 is Edward Fants. Edward has an over 95% attendance for the season so far. His improvements, through the season, in both swimming and level of concentration during workout are clear to all. He absorbs information not only directed at him, but also at others, and tries to implement them.

Good work, Edward, keep it up.
