

Swimmer of the Month

March 2021

Salma Vahle, National Senior/Senior

Congratulations to Salma who has earned March 'Swimmer of the Month' recognition.

Salma comes to workout 100% of the time... 100% attendance in March, 100% attendance on the season despite the season's unusual challenges. Salma comes to workout ready to improve and puts forward a consistently strong effort both in dryland and in the pool. She continues to improve her kick skills and has taken every opportunity to apply stroke changes when presented to her.

The arrow is pointing up on Salma's potential as she will be well positioned to perform well on the other side of the pandemic.
