

Red, Black and White Meet – December 18 and 19.

December 18 and 19th mark the last day of racing for 2021! Unlike past years, the Red, Black and White Meet will be an event focused on performance. Individual and team awards are planned and times will be used for future meet attendance/qualifying.

Individual awards will be for top performing males and females in the following categories:

- 15 and over
- 13-14 years
- 11-12 years
- 10 and under

All NYAC swimmers will be divided into Red, Black and White and there will be team medals for the highest achieving colour. This division into teams will be done by the coaches to ensure similar ability among the groups. Swimmers will earn points for their team, and at the end of the event, the top team will not only get a medal but bragging rights!

Swimmers will be racing at TPASC (875 Morningside Ave) at the following times

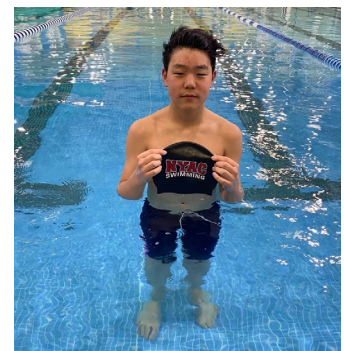

Date	Warm Up time	Racing Time	Groups Racing

Officials

A big thank you to our meet managers Gillian Uy, Robert Bertelink, Michelle Amar, and Margaret Yang.

Shout out to Jeff Paterson who came out early on Sunday morning to referee an extra session.

The job board for the Red, Black and White will open on **Monday, December 6, 2021 at 9am**. Similar to previous meets in 2021, we will be using automated timers. Please read the requirements for each position before signing up for the position. For example, for Inspector of Turns you must at a **minimum have completed their Strokes and Turns course and their Swimming Canada registration**. For Safety Marshals and Marshalling, the official must have completed Intro to Swimming and the Safety Marshall. Anybody that has not completed their Swimming Canada registration will not be allowed on deck. **Only one sign up per account will be allowed and will be increased to two positions on December 10, 2021.**

Not sure about your official's status, login into your Swimming Canada officials account and make sure all forms are completed.

The briefing for the Red, Black and White meet will be on December 16, 2021 at 8pm. Zoom information will be sent out on December 13, 2021 for all those on the job board who are eligible to be on deck.
