

Red, Black and White Meet

Thank you to all the volunteers and officials that made the Red, Black and White meet possible. Our meet manager Margaret Yang was amazing, rolling with the flow, making it possible for swimmers to come out and race.

It was great to see everybody and congratulations to all our swimmers who made personal bests or accomplished the goals they had set with their coaches or themselves. Your dedication and hard work paid off.

And Now for the Winners....

Congratulations to the White Team! Collectively the white team earned 4326 points. Your medals will be handed out by your coaches when we are back in the pool.

She has worked with operations to support the financial health of NYAC through the pandemic and our last two audits have shown NYAC financials to be thorough and accurate.

Thank you, Dorothy, for your commitment to NYAC!

Official Courses

Although there is much uncertainty, the goal will be to have swim meets once we return to swimming and racing. For the last few meets, we have cut down on officials by using electronic timing. The demand has been for officials with Stroke and Turn.

Question of the Week?

Will fees be adjusted for the shut down?

As a non-profit, we work diligently to provide valuable programming to our members. Nearer the end of the season (May/June) we will review the financials with our member-elected Board of Directors as we have done in the last two years.
