FOR JUNE 7, 2021

Dear Members,

We want to see your smiling faces! Yearbooks from 2019-2020 were printed up for our current members including swimmers who chose to defer their swimming until 2021-22. There are awards for the 2019/2020 season and wouldn't it be great to see your coach and get a picture!

We have arranged with TPASC to have a drive through/pick up session on the week of June 14 to June 18. Along the East side of the building, using the car drop off lane, the pick-up will be outside, and we will be abiding by public health guidance.

Graduating swimmers, we have a small goodbye present for you, so please make every effort to drop by!

Looking forward to catching up!

Graduating NYAC Swimmers

It is an amazing feat to swim throughout highschool. The dedication to your sport and to school pushes swimmers to be focused and develop great time management skills along with a strong ability to set priorities and work efficiently. NYAC's biggest pride will always be the people we graduate into the world!

Check out the NYAC grads for this 2021 season are doing! So many attending impressive top tier schools, challenging programs, you are all in a class of your own. Check out their biography's [here](#).

Update for the Summer 2021

As many of you know, NYAC is a member of Swim Ontario, the provincial arm of Swimming Canada. Swim Ontario has been advocating on behalf of swim clubs and we are awaiting a response back from the Ministry of Health, Sport, Tourism and Cultural Industries (MHSTCI) later this week. We continue to work with our facilities to provide more direction about what summer programming will look like and once we know more, we will send out information. Our priority will be to provide safe and fun programming for the summer of 2021 within the guidelines of public health.

Registration Timing Reminder.

Registration timing – as pool permits are confirmed, a schedule will be published and shared with the membership, registration is anticipated to be this summer.

End of 2nd NYAC Annual Dryland Games

Two challenges down for the Dryland games this June! Don't miss out on the action, join your teammates this Friday for Challenge #3 (the challenge is a secret – Eddie won't tell me what it is!!! But I hear it's brutal).

Lead up to the Tokyo Olympics

As the Canadian Swimming Team is chosen for the Olympics from July 23 to Aug 8, 2021, in Tokyo. Swim Ontario has run two events to get ready for the event. Thank you to the NYAC volunteers who helped make the event a success: Heather Bruce, Celeste Merey, Jia Li and Leela D'Cruz.

Every athlete and official had to be tested on a daily basis for Covid-19 before entering the pool. Heather, Celeste, and Jia braved hot summer temps and then some snow! Only in May in Toronto!

Volunteer officials for the Take 5 event! It was a success and a great pilot for the Canadian Olympic trials that will run June 19th to June 23rd!

NYAC is proud to have two swimmers at Trials, Joshua Liendo will be competing in the 50 Free, 100Free, 100 Flyer and a place on the Relay and Justin Baker will be competing in the 50 Free. Normally spectators are there to cheer on the swimmer but due to restrictions this will not be possible. We want to cheer on our athletes, so we hope every NYAC members will participate.
