### OFFICIALS INFORMATION & CLINICS

Did you know that if you take an officiating course, you can register for volunteer official sessions at NYAC meets, which are considered contributions to the eight (8) required sessions you are to complete in the 2022-2023 season?

To refresh your memory, session commitments for 2022/23:

- At least three (3) sessions completed by January 31, 2023.
- All of the eight (8) sessions will be completed by June 15, 2023.

Please note: you can volunteer in other positions which contribute the same way for completed sessions. Failure to complete session commitments has financial consequences of \$125/per missed session.

If you still don't have an officials account set up for the 2022-2023 season, please reach out to [officials@nyacswimming.ca](mailto:officials@nyacswimming.ca) immediately, as you cannot sign up on the job board until you have an Officials Account with Swim Canada.

Let us know which clinic you are interested in by filling in the following form [here](#).

NYAC will be offering several courses to help you become familiar with swim meets and qualify you to work as an official on deck. A schedule of upcoming sessions is located on our website.

If you are new to swimming, the first course to take is:

1. Intro to Swimming, and then
2. Strokes and Turns
