Please ensure that your email address and sms are verified to ensure that you receive all notifications.

JOB SIGN UP

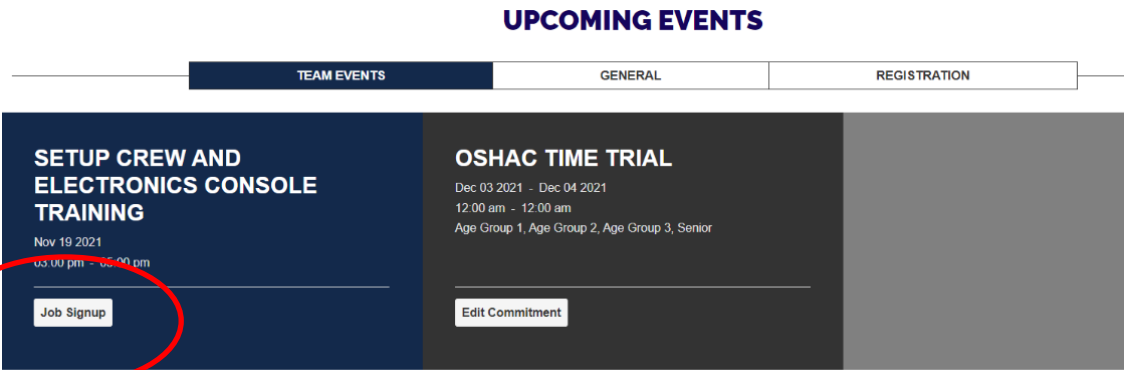

Once you are logged into [oshac.ca](https://oshac.ca) search for Upcoming Events. You will see a variety of “job” opportunities for upcoming Time Trials/Swim Meets, volunteer opportunities, etc.

Remember that jobs earn you volunteer credits.  
Our volunteer earn back program is ONLY for OSHAC competitive families.

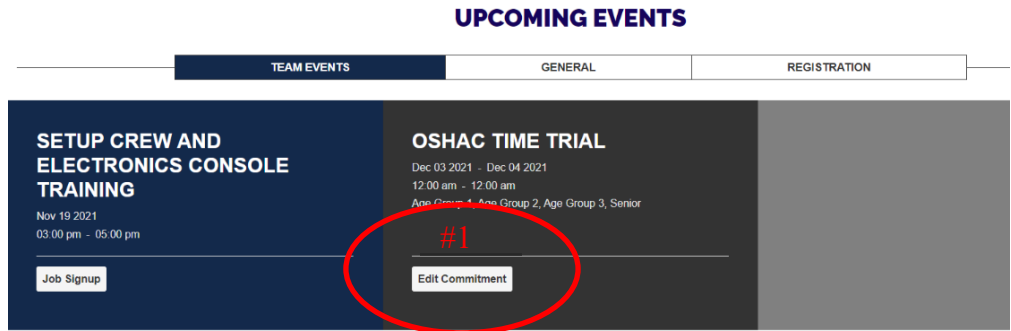

Jobs and volunteer opportunities are posted under Upcoming Events on the main page of the OSHAC website. Once you click on the job you can read the job details and can sign up.

Read the details carefully. When you sign up for a job be sure to use the optional contact info section to add important information (swimmers name if different than your name/the name of the member completing the job and a phone number are helpful).
