Please Note: That this is a staggered start up. We do this to make sure all groups get equal start up. We do not go into full schedule till after Thanksgiving.

Please note: The start-up schedule may have different times/pools/days then your group's regular schedule. Please look for your group and attend those times till Oct 11th when we resume to our regular schedule. You will get a schedule for the rest of the season from your swimmers coach (group specific).

Schedules will also be on Team Unify.
