Involvement in coaching helps build lifelong skills including building teamwork, being a positive role model and mentor, and goal setting and time management. Coaches need to be adaptable and flexible, use their imagination and creativity, and learn while teaching. They are part of a team that helps athlete's develop competence, confidence, connections, character, and caring.

The Prince George Barracuda Swim Club encourages its participants to continue to pursue a lifestyle of excellence. This award recognizes the student's development of the skill of coaching swimmers.

The PGB Junior Coach Scholarship will recognize a student who demonstrates academic excellence, coaching and mentorship skills, in addition to other things they may be involved in within the community or school.

Criteria for application includes:

Academic excellence
Barracuda attendance & team participation
Junior coaching for the PGBSC
Community & /or school involvement

Integrity / Positive Attitude
Leadership / Mentorship
Sportsmanship

Applications are to be submitted online c/o the PGBSC Executive Assistant.
