

SWIM TRYOUTS PROTOCOLS – THE NEXT NORMAL

TRYOUTS – NEW SWIMMERS

Registration Protocols

- Facility must agree to tryouts
- Family/Swimmer MUST BEGIN the registration process with the Club (Team Unify or other membership software) for 2020/21 season
 - Basic contact info and signatures
- Family/Swimmer MUST execute a *temporary* Assumption of Risk and COVID Attestation (see [resources](#)) from the club before first tryout.
- Complete daily screening questions (if applicable)
- Complete the Swimming Canada/Swim Ontario registration process in the RTR within the 14 day tryout period.
 - includes executing the 2020-2021 Assumption of Risk and COVID Attestation in the RTR
- **To be clear, Tryout Swimmers cannot continue past day 14** unless FULLY REGISTERED with Swim Ontario/Swimming Canada.

In The Pool

- New Swimmer tryouts need to be scheduled in separate areas of pool space or during separate times away from existing club swimmers' training bubbles.
- Limit of 2 Swimmers per lane or 4 swimmers per double lane (starting at opposite ends)
- Facility & Club physical distancing rules and all COVID safety MUST apply
- Masks MUST BE WORN on deck at all times
- Coaches physically aiding Swimmers is prohibited – except in emergencies
- No use of equipment
- Once permitted by the facility, parents/guardians must remain in the designated viewing area away from the training bubble.
 - COVID-19 Attestation/Daily self-screening must be completed by every spectator.

Duties of the Club

- It is each club's responsibility to track and enforce the above procedures and timelines with respect to Swim Ontario's Safe Return to Swimming strategy, Policy and Procedure.
