November 18th, 2019

Dear Friend of Catalina Swim Club,

The Red Deer Catalina Swim Club (RDCSC) presents **An Evening Out with Dueling Pianos and Cilantro and Chive** on Saturday March 28th, 2020 at the Lacombe Memorial Centre. This club fundraiser will be attended by over 450 community members and includes a buffet dinner catered by Cilantro and Chive, Dueling Pianos as entertainment, several Microbreweries, Silent Auction Items, 50/50 draw and so much more!

You can show your support with a Cash donation, Silent Auction item, or Raffle item.

We are a registered non-profit society directed by a volunteer board. We have a proud history of top performing swimmers competing at Provincial, National and International levels. The Red Deer Catalina Swim Club participants are future leaders and contributors to our community. These swimmers are self-disciplined and dedicated to their sport and representing their community. They are challenged with balance between their love of swimming, training and maintaining their academics.

Catalina swimmers are exceptional and always display the virtue of sportsmanship at the variety of Swim meets they attend provincially, nationally and internationally. These swimmers work hard and stay dedicated to their sport and the commitment it requires.

The Red Deer Catalina Swim Club would be very grateful for your support. The support of your business will continue to enhance our competitive swim program and provide our swimmers expanded opportunities to soar. One day you may be watching the Olympics and could see the background story of one of our swimmers and you can say – We helped to get them there!

Your consideration of this request is very much appreciated, we will follow up with you over the next week or two. If you have any questions or concerns in the meantime, please do not hesitate to contact Amanda at rdcatalinafund@gmail.com or call the Catalina Swim Club Office at: 403-347-7946.

Sincerely,

Catalina Fundraising Committee Member
