## Anna Rondeau Memorial Scholarship

Anna Rondeau, at the tender age of 12, tragically left this world on March 6, 2018. Her loss is immeasurably felt by so many who were blessed to have her touch their lives.

She lived her life with such passion, determination, joy, acceptance, kindness, and love. Her love for life and everything it offered exemplified her. She loved her family and friends unconditionally, everyone she met with total inclusivity and acceptance, and sports with a passion for greatness. Anna was exceptional at everything she did, but her most exceptional trait was her ability to touch everyone around her with kindness, love, joy and thoughtfulness.

Her legacy should be honoured with the same way she chose to live her life with passion, kindness and love for everyone.

Your donation in her memory will provide many children with the ability to participate in the sport of swimming which Anna loved, create lifelong friendships, pursue dreams and have fun. Anna had dreams and aspirations of making it to the Olympics to represent her country. This scholarship will assist new and current athletes pursue their dreams.

# Cinco de Mayo Cabaret

All swimmers were sent home with cabaret tickets for our cabaret on May 12, 2018. This is the last chance to earn your fundraising dollars back. If you have earned all your fundraising allotment or opted out we are still hoping you would be willing to sell a ticket or two and bring some friends. This is a great night with a live band, drinks, tables, and some fun! Come and meet a few new people and support our club. The night will not only feature the live band "Rock Candy" but also an auction with some great items (details to come!).

Additional tickets are available from the office at any time or you can purchase through eventbrite.

**Sign up** to help decorate from 12:00-3:00pm under the events online!

If you have a great item to auction off that you would be willing to donate please contact [office@reginadolphins.com](mailto:office@reginadolphins.com).
