

Important changes to payments on accounts

The RODS management and board of directors are making every effort to increase efficiency and become more cost effective. While we still require a credit card number to be on file for your account to cover meet fees and miscellaneous charges, we need to reduce the credit card fees by using other payment options. **We require all members to use one of the following alternate methods of payment. If you are unable to use an alternative method of payment, you may request an exception from the Treasurer.**

Fee Charts can be found here: [COMPETITIVE](#) - [PRE-COMPETITIVE](#)- [Dolphins Skills](#)

1. Provide posted-dated cheques for monthly fees. By providing 9 posted dated cheques (September to June) dated the 15th of each month, you can eliminate charges to your credit card. Your card will only be charged if the fees and charges exceed the amount of your cheque plus fundraising credits at the end of the month. Your first month fee and membership fee will be paid upon registration. **Your account will be charged for extra fees by the 20th of the month. All payments must be in by the 25th of the month, otherwise your credit card will be charged the balance on your account on the 1st of the month.**

Cheques can be:

- A. Mailed to: RODS

355-4246 Albert Street, Regina Sask, S4S 3R9

- Dropped off at the registration night and at the [Welcome back BBQ Sept 9th](#)
 - Given to the Treasurer directly
2. Pay your monthly fees using Interac **e-Transfer**. Payments can be sent to the RODS via your online banking service on the 25th of each month (to allow for processing time). It uses email to notify that the payment has been sent. You may send your payments to payment@reginadolphins.com and provide a password.
 3. Pay your full annual membership and fees in before July 31. By doing so you will receive a 5% discount in addition to any multi-swimmer discount you may be eligible for.
 4. Pay by credit card (VISA/Mastercard).
