

Hello Everyone,

It is two days out of FASTSWIM 2021 and we are looking forward to hosting all of you. Please keep in mind that this is the first major competition we have hosted since the pandemic started, we will do our best to keep it running smoothly but may be a little rusty.

Here are is the latest logistical information to help you navigate Watermania under the city's COVID facility rules

1-Seating Assignment- Attached are the seating arrangements for the weekend. If you are not in the bleachers please bring your own chairs. Teams that are outside in the tents be aware that they will be heated with propane heaters all weekend.

REMINDER: Please remind your parents that there are NO spectators allowed on the pool deck.

2- Pool Entrance- Swimmers and coaches are to enter the facility through the main doors. Swimmers can then proceed through the change rooms, coaches and volunteers can turn right after entering the building to make their way to the pool. Coaches will need to check-in at the desk by the pool entrance to receive their accreditation. Swimmers and coaches DO NOT need to show vaccination proof to enter the building, all volunteers DO have to show proof of vaccination.

3-Warm ups- The morning session will have blocked warm-ups. Group 1 will run from 6:30-6:55 and Group 2 will run from 6:55-7:20. All teams will have access to the blocks during their warmups, but please just make sure to let the Safety Marshall know when you will be diving. The midday session will not be blocked but will have lane assignments. See attached file for lane assignments. During the competition, we will have access to all 8 lanes in the shallow end for warm-up, if swimmers wish to warm up during the competition.

4-Finals Warmups-Finals warm-ups will be open with no lane assignments, with the shallow tank being open for a warm-up and cool down throughout the session.

REMINDER: Please remind your swimmers to only come back to the finals session if they are swimming, we have a strict capacity limit we need to adhere to.

5-Deck Food Coaches- There will be snacks and coffee available in the Multipurpose room for coaches during the meet.

6-Marshalling- There will be marshalling during the meet, which will take place directly behind the lanes in the deep end underneath the diving board.

7-Live Steam- The entire competition will be live-streamed onto a YouTube channel found [HERE](#). Please share this with all your parents, as there are no parents allowed on the pool deck.

8-Chaperone requests- For teams travelling to the meet outside of the LMR we are able to provide 1 Chaperone accreditation. If you are a team travelling from outside the LMR please provide me with your Chaperones full name, and your chaperone will need to provide proof of vaccination.

9-Coaches Name- I am still missing a number of names of coaches for the weekend. If you can provide me with the names of the coaches attending from your club so that we can supply the proper amount of accreditations for your team, as well as have accurate information for check in
