

Swimmer Funding Policy

To be reviewed annually in conjunction with annual budget

A portion of the SJ Canada Games Foundation funding is for coach development and athlete's development on track for the national level of swimming. If amount required over annual budget, we could allocate a certain amount towards coach's expenses to attend a national meet and still meet the spending criteria requirements for the funding.

For 2017/2018 swim year – included in operational budget

- 1) TIDE Club will provide \$250 a swimmer per national meet to an annual maximum of \$500 per swimmer (Easterns, Junior Nationals) to an annual club maximum of \$2500 budget permitting.
- 2) If the TIDE coach is attending Tide will cover coach's expenses up to max \$1000 per national meet (to an annual max of \$2000), and any coaching expenses above that would be responsibility of swimmer(S) attending.
